

# Fire & Rescue Stations

## Answering the Call

for non-slip, chemical-resistant, attractive apparatus room floors:

### A non-skid surface:

- creates a safer surface
- boots and feet grip under all conditions
- truck tires won't debond surface layer
- disperses surface tension caused by heavy loads
- nice look for community events
- can be installed in new or existing stations
- you choose the color
- durable
- warranted bond to substrate
- oil and chemical resistance
- 100% solid, non-porous
- lightens up work area

### Epoxy applications are ideal for:

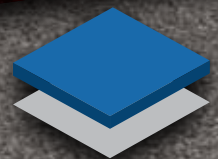

- tool and maintenance shops
- locker and shower rooms
- kitchens
- meeting rooms
- garages
- pool decks

**Protective Coating  
Specialists**

# Why Protective Coating Specialists, Inc.

*"It was a wonderful process. The floor and the coating are great. You even impressed our maintenance supervisor!"*

*Doug Doefer -- Fire Chief  
Suamico, Wisconsin*

*"We are extremely pleased with our Protective Coating Specialists flooring. The entire project from start to finish met our expectations and the staff was professional and easy to work with. We would recommend Protective Coating Specialists to any fire department considering a new or refurbished flooring project."*

*Tim Kluck -- Fire Chief  
Plover, Wisconsin*

## Your fire fighters help protect others - let our floors help protect them!

- Technical experience since 1968.
- Satisfied customers throughout Wisconsin, Michigan's Upper Peninsula, Minnesota, Illinois and Iowa. References upon request.
- Experienced applicators using up-to-date equipment to complete your projects.
- Multi-year warranty available.
- Special attention to detail such as chiseling back around floor drains, eliminating opportunities for feathered edges.
- We work as consultants to architects and municipalities.
- Providing technical specifications and quality standards that ensure you of the best system pricing possible.

**We go through a step-by-step process to assure job satisfaction from start to finish -- *take our steps to help you walk!***
